GREETINGS FROM THE PRESIDENT

Ken Hamlin, 517-605-0022, akhamlin@tc3net.com

After a great New Year's party and a very busy January it's hard to believe we are closing out the month. This month saw the pool and the new surface around the pool completed. Hopefully by the time I write the next newsletter the rest of the area will be completed. We also elected new board members this month.

At this time, I cannot tell you who they are because we have not had the election.

Several items are on the calendar for this month. We will be starting out with the garage sale. Of course, there is always pancakes and hamburgers. The Canadians will be hosting the potluck this month and on Saturday, February 24, we will have a DJ dance at the clubhouse. Dean Helsom hopes to have the Lobster dinner this month. It will depend on if the lobster is available. The big storm that went up the East Coast played havoc with them. Keep your ears open to hear more on this. It's hard to beat a good lobster.

As we move around the park we are seeing a lot of new faces. Make sure you stop and say hi, invite them to coffee and any other activity that is going on. It is always easier to make new friends when you know someone.

If you are going to rent or sell your house, make sure your first stop is at the office. The approval process starts there. It will save you a lot of headaches later. Also, before you start any projects around your residence check your prospectus or check in the office to get affirmation on what you are doing.

I will be looking for you next month. Have a great month.

Each year a celebration is held in November to honor all the veteran residents we have at Lakewood. This is a very important and touching function for all of us realizing what they have done so we can enjoy the freedoms we have today.

We are asking all veterans at Lakewood to send us a military picture of themselves, so we can put it in the monthly newsletter. Please include the years you served and which branch of the service. This is another way we can honor you for your service to our country. The picture can be emailed or sent by mail. If sent by mail, we will return the picture to you.

HYMN SING

Submitted by Chuck Emery

Here at Lakewood we never run out of things to do, seems that our clubhouse is always busy with activities galore. This is a note to remind you of one such event, it is our Hymn sings here at Lakewood. I promise you that we will sing one of your favorite Hymns or choruses. This event is the 3rd Sunday of the month at 7PM. I will be looking for you!

We are attempting to obtain some hymn books. If you know of a church or group that has some they no longer

need and would be willing to donate them to us, please let me know. This would be very helpful for the hymn sings.

CHRISTMAS POTLUCK – DECEMBER 25, 2017

Submitted by Ruth Brooks

It sure seems silly to write about a Christmas potluck when it's almost Valentine's Day, but I guess that's just another sign that our lives are passing by so quickly we can't keep up!

Many of you were spending time away with family but those of us who were left here to keep the pool chairs filled and the bingo parlor busy enjoyed our time together. I think we had approximately 67 in attendance. We had quite a few guests and I have been told that it was an enjoyable time for the residents in attendance as well as the guests. Seems doing the potluck on the holiday is appreciated.

Management furnished 2 turkeys and 3 hams. Management spent \$192 on our meat donation so should you be talking with Sherry, our new office manager, you might relay gratitude for their generosity.

We opened the potluck at 1:30pm with appetizers, dinner shortly after 2pm. Between dinner and dessert we had an audience sing-along of Christmas songs and Carl Esch entertained us with a couple songs. Our surprise (even to me) was the welcomed talent of Blossom Williams great-granddaughter. The family sang a beautiful rendition of Jingle Bells and we immediately knew there was talent there! In conversation with the family we discovered that Liz Braceau, Blossom's great-granddaughter, also played the piano so it was only appropriate that we give her the opportunity to entertain us and entertain she did. What a treat!

I do want to take this opportunity to thank all those who helped make this day enjoyable for all. It is most gratifying to me to have such a giving group of women (and men) come forward to help and for the generosity of those who brought 2 and 3 different dishes just, so we would have a plentiful feast. God's blessing because thank you is such a small word for all you did, whether it was working, preparing food or participating in our family Christmas. We'll do it again.
