GREETINGS FROM THE PRESIDENT

Ken Hamlin, 517-605-0022, akhamlin@tc3net.com

I always seem to start my message with how fast the days go by. Well here we are in March already and it seems like we are just getting started.

I am glad to report that the covers are completed for the shuffleboard courts and play has begun. The covers also extend over the Bocce Ball courts. We are looking for someone who would like to get play going and then try and get a set time next year for a little competition. The parking lot in front is also being repaved and the sign in front of the park and the call button by the gate should be completed by now.

Inside the clubhouse the last library shelf unit was installed and the console that belongs there, should be here. The previous one arrived damaged and needed replacement. We are also hoping that the projection TV in the main room will also be operational by now. The kitchen area seems to be working pretty good for our hamburger dinners, pancake breakfasts, and potlucks. The stools in the kitchen have seen a lot of use by residents who seem to find them a good place to take a break.

It's good to see that the clubhouse and recreation areas are being well used.

There have been a lot of changes in the community this year. We are really looking pretty good. Please help

us to keep it looking that way. I say this because we need to keep an eye on things, for instance a blue chair pillow that belongs on a chair in the library has disappeared and hasn't come back yet. It is part of the chair and cannot be replaced. If you know of its whereabouts, please help it get back to the library. If you have a golf cart, keep your eyes open. They seem to be an item that is turning up missing in the county. Security is everyone's business. If you see something that does not look right, it probably isn't. Report it to the office or call the sheriff department at 941-639-0013.

This month we start out with a dance scheduled for the first Saturday so get your dancing shoes on and come out. We also have another show by Kenny Evans scheduled for this month on the twentieth. In February, "Spittin Image", did a great show and I am quite sure the social committee has made sure this one is just as good. The last Tuesday of the month we have our last HOA meeting for this season. Make sure your dues have been paid so you can vote. If you paid early enough this season, I hope you enjoy the free steak or lobster dinner.

We are looking for a new editor for the newsletter. Bob and Rosalyn Green have done an outstanding job of keeping us informed but they would like to have someone else take it over. I know we have some budding journalists out there that would like to take over. See Bob and he will help you get started. The newsletter is a great communications tool and we want to keep it going.

We also need people to serve on our various committees. If we don't have the volunteers, then we don't have an association. Your help is critical for our existence. We can't do anything without you. Please talk to a board member and get involved. We have all kinds of opportunities for you.

It is nice having the speed bumps gone but a big problem has emerged. Residents are just sailing through the front entrance without slowing down and stopping. If it continues the speed bumps may come back. Please slow down and check out the drives. Remember the roads in the park are our driveways, they are not city streets.

We also have a problem with a few dog owners who are not being responsible. You few are making it very hard for the rest of the dog owners in the park. It is never OK to leave a "pile" on someone's lawn or on the street. Please clean up, we are watching you.

Have a great month.

THANK YOU

From Betty Jo Hatch to Ruth Brooks for contacting LifeTouch Directories regarding Rob's passing. They sent me a large framed photograph of Rob along with package of smaller photos.

This photo was taken for a prior directory and while Rob was still well. It was a wonderful surprise and helps remember all the good years we had together. Thank you, Ruth!

To Chuck Emery and Carl Esch for dedicating many hours of thought, design, building and installing our inside mail boxes. They are beautiful and much improved over the old ones. And you can even put a greeting card in them without folding the card. Thanks guys!

To the Pancake Breakfast and the Hamburger Cookout crews for the great meals each month. These individuals dedicate many hours monthly planning and putting on these events along with the time for cleaning up afterwards. Thanks to all residents involved.

To Activities Committee for all the dedication in planning the great events and activities we have had this season. They also spend many hours in accomplishing this for our entertainment. If you attended the "Spittin' Image" event held in February, you realize the quality of events the committee is giving us. Thank you, gals!

DAYLIGHT SAVINGS TIME

It is that time of year again to "Spring Ahead" our clocks due to daylight savings time. The time for this in 2019 is Sunday, March 10 at 2:00am. Most of us relate this to losing an hour of sleep. However, if you can survive without that hour of sleep, keep in mind you can get it back in November when the clocks move back.

ACTIVITIES COMMITTEE

As we predicted, the Mix and Mingle evening was a lot of fun and very well attended - 103 Lakewood residents played games, heard some great barbershop music and enjoyed a yummy ice cream dessert. The funniest part to me was the mountains of Kleenex tissue paper on the tables after the race to see who could pull them out of the box the quickest!

The "Spittin' Image" performance on Sunday, February 10th was a great hit as you probably heard if you did not attend. We had 122 in attendance. Don't despair if you missed it, however, because by popular demand, we will try to book them for next season.

Next up is a dance with a duo - The Sellouts - who play a wide variety of music. Put on your dancing shoes - or just sit and enjoy - but join us Saturday, March 2, 2019 7pm - 10 p.m. We have a limit of 90 tickets, but if we don't sell out, you can buy a ticket at the door.

On Wednesday evening, March 20th, we have a real treat. Kenny Evans, who has been the opening act for some of country music's biggest stars including Kenny Chesney, Charlie Daniels, Lonestar, Sara Evans, Toby Keith, Tracy Byrd and many others will perform for us from 7 - 9pm. Kenny now performs Golden Oldies and Classic Country hits as the male vocalist in "The American Oldies Show" at the Red Skelton Tribute Theatre in Pigeon Forge, TN. For our show, he will sing Oldies Rock-N-Roll, Classic Country, Gospel, and have some Comedy Skits. **This show will be COMPLIMENTARY to HOA members.** Guest tickets will be \$10. Seating will be limited to 130.

Our final activity of this season will be a Night at the Horse Races, Saturday, April 6 at 6:30 pm. If you've ever thought you'd like to be a jockey, this will be your chance to try it out. Our Decorating Committee is providing some dashing horses for you to "ride". Dean Helsom has agreed to be the race announcer for the evening! Bets will be limited to \$1 per horse each race, so no worries that you will gamble away your life savings.

Bring your own drinks and snacks and prepare to have a good time.

FOR SALE ITEMS

It is now possible at no charge for residents that have their house, or other items for sale, to have them listed in the monthly newsletter. Also, the houses for sale can be listed on the HOA website at no cost. Contact Bob Green if you wish to have your home on the Lakewood Village HOA web site.

- **Houses for sale:** If you want to list your home for sale, contact Bob Green to give him your information. We will run the ad for a period of three months or until sold. If it sells prior to the three months, it is your responsibility to advise Bob to remove from the newsletter. If you want it listed longer than three months, let him know prior to the end of the three months.
- **Other items for sale:** If you have other items to sell, contact Bob with the information. We will run the ad for one month. If you want it listed longer, you will need to let Bob know. Again, when it sells you have the responsibility to advise that it is sold.

Start your day with blissful daily beach yoga. All are welcome! Beginner-friendly! Beach Yoga for everybody is a beginner-friendly class that is available to all ages and all levels of ability. Enjoy the sounds of the sea and the warmth of the sun while practicing yoga. Practicing outdoors connects you to nature. Looking into the vastness of the horizon, observing the graceful birds flying in a space of "no walls" and drinking in the blue sky. The open space expands into the vastness and you sense the free-dom that is inherently always within you. Yoga for a healthy body and calm mind! Bring a blanket or sheet and plan to have fun! Please note: if winds are easterly, the air is good, and the beach is clean, class will take place. If there is any irritation from westerly winds at all, beach yoga class will be canceled.
